

KENT COUNTY COUNCIL

VARIOUS ROADS, HIGH HALDEN

(PROHIBITION OF DRIVING)

TEMPORARY ORDER 2017

To allow cable ducting works to be carried out in connection with the installation of broadband, Kent County Council has made an Order to temporarily prohibit through traffic on various roads in High Halden, near Tenterden.

Closures are planned from 4 December 2017 onwards, in the sequence shown below, with only one road will be closed at any one time.

The timing of the phases is approximate and may potentially be affected by weather and ground conditions. Any changes will be notified to local residents and signposted on site.

SHAWLANDS LANE closed from 4 December 2017 for approximately 3 weekdays

The closure is from the junction with Thurstons Lane southwards for approximately 420 metres

The alternate route is via Thurstons Lane and Wren's Nest Lane

THURSTONS LANE will then be closed for approximately 2 weekdays

The closure is from the junction with Shawlands Lane westwards to the property Summerleaze Cottage

The alternative route is via Shawlands Lane and Wren's Nest Lane

HARRIS LANE will then be closed for approximately 1 weekday

The closure is from the junction with Thurstons Lane northwards to the property Little Acorn Farm

The alternate route is via Thurstons Lane and High Halden Road

Due to the nature of these works, it may not be possible to re-open the roads outside the working hours.

Access for residents affected will be maintained whenever it is safe to do so, but there are likely to be delays and certain times when this is not possible for safety reasons.
