Dear Alison

We have received an enquiry from a member of the public requesting that the above triangle islands be kerbed.

I would be grateful if you could let me know whether the parish council have any objection to us kerbing these islands and let me know.

Many thanks

Subject: Code of Conduct Training

Dear Sue

Karen Hopkins has asked me to send you the details of the Code of Conduct and Localism Act 2011 training CD/webinar which this Parish Council has agreed to adopt as their training for the Kent Code requirements.

I subscribe to an online publication called 'Local Government Lawyer', and the details of the CD are here..

http://www.localgovernmentlaw.tv/index.php?page=shop.product_details&flypage=flypage_simple.tpl&product_id=154&category_id=14&option=com_virtuemart&Itemid=78&vmcchk=1&Itemid=78

For 'new' registrations the cost is actually £15 plus VAT for the CD, with the 'webinar' provision as free for new users.

If members get stuck there's a very helpful chap called Derek Bedlow who can assist; derek.bedlow@localgovernmentlaw.tv.

I have viewed the Webinar and it is very informative in terms of what the position was pre Localism Act and what it is now.

Hope other members find it useful.

Kind regards

Alison
