Good Morning Folks

Our next Group Meeting has been changed to the 29th July - starting at 7:30pm.

I do hope all member Parishes & Tenterden Town Council will be represented at this meeting, which will outline the possible impact of Junction 10a for all of us (tbc) and our plans for working with ABC over the coming 4 years?

I must now apologise for forgetting to ask those present last night to choose two members of the Group to be members of the KALC Executive Committee. As it happens, with hopefully more members present at our July meeting, we can make that decision then.

Please put the date in your diary 😊
