PROPOSALS FOR UP TO 50 HOUSES AT LAND AT NORTH STREET, BIDDENDEN

Biddenden Parish Council has also received the information regarding the Gladman **proposals** for the Land at North Street as mentioned by Cllr Bell. Gladman have now put out some leaflets with an option for residents to complete their survey which have started landing on doormats today regarding their proposals. Residents may also contact the Parish Council with their views at clerk@biddenden.gov.uk

With regard to **planning applications**, when the parish council reviews any planning application it wants to represent the views of its own residents, but ultimately **residents should send their views directly to Ashford Borough Council** as the Planning Authority to ensure that their views are taken into consideration by them when making decisions on an application.
