

HEADCORN SURGERY

Recruiting

Your Patient Participation Group

We want you!

Do you want to know more and influence what services your GP practice gives you?

Then come and join us

What Will You Do?

You will bring your views to inform the development of services that patients want and experiences of services they receive by working together with our practice.

Together the Group

Works with our Practice Group to improve access to services that better meet the needs of our patients by working in partnership

Our goal?

“access to the right person, providing the right care, in the right place at the right time”

To register your interest visit: www.myppg.co.uk/register

Your Voice Matters!!
